

Welcome to the nationally recognized Woodlands Golf Performance Center, where every student's development and progress are the top priority of a team of instructors boasting decades of experience and success.

The Membership includes options of joining as a single or family with monthly dues of \$45 or \$75 for non-members (Club members receive reduced monthly dues of \$25 or \$40). Upon becoming a Player Development Member, students enjoy:

- Lessons at a rate of \$15 with most instructors
- Low cost clinics
- TPI screening
- Nutritional counseling
- Orthopedic referrals
- Club-fitting
- Fitness and flexibility programs

Whether the student is among the game's best or simply looking to learn more about golf and become a more active player, the player development team will focus energy on meeting the personal goals of that student.

At The Woodlands Performance Center, systems are in place to ensure students are assisted at any point of their journey in golf.

The Woodlands Golf Performance Center was awarded the 2011 Player Development Program of the Year by the National Golf Course Owners Association of America.
