

## CANONGATE PERFORMANCE CENTER MEMBERSHIP

# CANONGATE OPENS NEW PERFORMANCE CENTER

The Performance Centers at each of our clubs will be led by Dean Choate, Roger Stebbins, and Matt Stano at Canongate at The Woodlands, Lake Windcrest, and Magnolia Creek, respectively. These pros, plus their teams of current golf professionals will create a well-rounded center for all ages and calibers of golfers. Programs and services will be available for the most advanced athlete to someone just thinking about taking up the game of golf. We look forward to the progression of this program and we invite you to give us any feedback that you may have. For additional information on the Performance Center, for North Houston, please contact Brenda Stewart at (281) 863-1420.

For Magnolia Creek please call (281) 557-0555.

## TRACKMAN

Trackman is a radar based solution for analyzing a players golf swing and resulting ball flight. Trackman is the choice of the PGA Tour and the USGA and has set the industry standard for delivering real time data and graphics on club movement, ball launch, ball flight, and landing. This analysis will provide you and your instructor with the exact data regarding different aspects of your game as well as specific data which will allow you to experience the best club fitting process available on the market. In addition, you will receive vital information to improve any existing swing flaws. The Trackman is currently being used by every major golf manufacturer for fitting and testing equipment.

## TPI (TITLEIST PERFORMANCE INSTITUTE)

The Titleist Performance Institute (TPI) was created to provide players with the ultimate golf learning experience. TPI has combined industry leading experts, state of the art technology, and world class facilities to enhance the performance of golfers. This screening, performed by Bill Wilson, Certified TPI Instructor, incorporates TPI assessment protocols to identify specific limitations in your body that may be inhibiting your full golf potential. You will learn how these physical restrictions can prevent you from playing your best golf.

## PHYSICAL SCREENING & ASSESSMENT

This analysis, performed by Simon Webb, will identify specific movement patterns that can lead to decreased performance on the course. In addition, by following up with Simon and his training, you will decrease your personal risk for injury over the course of time. Simon has over 10 years of experience screening golfers and elite athletes and feels that this type of assessment can really bring your game to the next level.
